Totals:	_____	_____	_____

Income:

For the purpose of determining whether a family or household is low- and moderate-income, you must use the following definition of income:

Verify first source documentation of the projected annual income of a family or household by **projecting** the current income of each person forward for the next year (12 months) **at the time assistance is provided** for the individual, family, or household (as applicable). Estimated annual income shall include income from all family or household members, as applicable.

Listed below are income ranges for moderate, very low and extremely low income

CDBG INCOME LIMITS

EFFECTIVE JUNE 1, 2021
