A Message to the Residents and Taxpayers of the City of Pawtucket

Dear Friends and Neighbors,

I would like to thank each and every one of you for your perseverance and support over the last year as Pawtucket worked to get back to normal from the pandemic. Pawtucket is stronger because of the amazing people who live and work in our community and who helped us overcome the unprecedented times we experienced. Together we moved forward.

As we begin the new year, my family and I would like to wish you a healthy and prosperous 2022. After a 2021 filled with uncertainty and challenges, we look forward to the new year bringing with it exciting new opportunities for Pawtucket's future.

We are looking to Pawtucket's bright future, and are all excited for the completion of projects in the coming year including the Pawtucket-Central Falls Transit Hub. New possibilities await our community through these projects and development around them including the Dexter Street Commons at 71 Dexter with a projected investment totaling $44 million. With the train and bus transportation readily available and accessible to downtown, we look forward to the increased traffic to our amenities and businesses.

The continuation of construction at Tidewater Landing, a major economic development project proposed by Fortuitous Partners, helps to bring our community professional sports for the whole family to enjoy once again. This project will transform Pawtucket's riverfront with hundreds of thousands of square feet of new development, including a new professional soccer team that will compete in the USL Championship League. Thanks to the leadership of the City Council, the Pawtucket Redevelopment Agency, Fortuitous, CommerceRI, and so many others, we continue taking great strides toward the fruition of this game changing project with construction in 2022 and anticipated completion in 2023.

Our students have shown their resilience this past year and have overcome some amazing obstacles. They have shifted back to in-person learning and have remained health conscious and patient. The learning environments and facilities of our students remains a top priority as we renovate Winters Elementary. We have considered school projects moving forward with investigations into a combined campus for our high schools to create a state-of-the-art facility for learning.

In conclusion, I wish to thank our amazing calendar sponsors who, once again, allow us to present you with the 2022 City of Pawtucket Calendar. This calendar provides you with information on scheduled events, how to contact your elected officials, the many services available to you, and much, much more. I'd also like to thank the Planning Department staff, and particularly Mary Bourdeau, for coordinating the creation of this calendar, which is a wonderful resource for our residents.

I wish you and your family all the best and a happy, healthy, and prosperous 2022.
Sincerely,

Donald R. Grebien
Mayor

HELP US KEEP THE CITY CLEAN AND GREEN

Did you know? That loads of recycling that are highly contaminated with trash - things like food waste, yard waste, construction debris, textiles, and bulk waste - can be rejected from the recycling facility? It costs the City $250 plus UP TO $90/ton to dispose of highly contaminated loads. Last year it cost the city approximately $80,000. Please do your part by sticking to these rules of thumb for what to recycle in your blue cart.

RULES OF THUMB FOR YOUR RECYCLING CART:

PLASTICS
RULE: Recycle plastic **CONTAINERS,** up to 2 gallons in size ONLY. Disregard numbers and triangle.
EXCEPTIONS? No Styrofoam cups/containers, plastic bags, "empty" automotive fluid bottles, "compostable" cups, black planters and plug trays, acrylic or plexiglass cases.
PREP: Empty and rinse. Don't crush flat. No straws. Gently replace caps and lids first and then recycle.
Take plastic shopping bags back to any large grocery, pharmacy or big-box store for recycling.

GLASS
RULE: Recycle glass **jars** and **bottles ONLY.**
EXCEPTIONS? No "Pyrex" containers.
PREP: Empty and rinse. Remove metal lids/caps first and recycle both separately.

METALS
RULE: Recycle metal **cans/foil** and **lids/caps** from **glass jars + bottles ONLY.**
EXCEPTIONS? No yogurt lids or foil-like candy/chip wrappers.
PREP: Empty and rinse. No product, air or noise should come from aerosol cans when the nozzle is pressed down.
Don't crush cans flat. Do bunch up foil first.

PAPER/CARDBOARD
RULE: Recycle paper/cardboard that is **free of food and grease, isn't treated to be waterproof** (e.g. fridge or freezer boxes, paper coffee cups) **+ isn't for sanitary use** (e.g. napkins, paper towels) ONLY.
EXCEPTIONS? Please **DO** recycle waterproof **cartons** (e.g. milk, juice, soup, broth).
PREP: It's OK to leave tape/labels/staples on. Replace plastic caps back on cartons' plastic spouts first, then recycle.

ELECTRONICS
RULE: Anything that plugs into your wall should not be placed in your recycle cart.
When in doubt, call your DPW at 401-728-0500, ext. 233. **No exceptions.**
Electronics can also be dropped off at **Green Tech Assets, 1110 Central Ave. Pawtucket.** For questions call 401-721-9996
To find more items you can drop off for recycling at RI Resource Recovery, visit **www.rirrc.org/sva**
For an A-Z list of materials and proper recycling/disposal instructions, visit **http://atoz.rirrc.org**

TEXTILE RECYCLING
Beginning November 16, 2020, the city started a textile recycling program. Residents will now be able to dispose of their old clothing, belts, purses, and shoes thru this program. Residents can either pick up a yellow textile recycling bag from City Hall or Public Works or for the first time you can use a trash bag labeled textile recycling. The company will be checking the recycling routes and if they pick up a bag, they will leave you a new bag so you can continue the program. There are also **Big Brother/Big Sister** bins throughout the city.

MATTRESS & E-WASTE COLLECTION (for City residents only)
All collections will be at the parking lot on Roosevelt Avenue across from City Hall on the first Saturday of the month (unless noted otherwise due to another event or weather). Please refer to **www.pawtucketri.com/public-works-department** for dates and times.

YARD WASTE PROGRAM
For twigs, leaves and grass clippings, the program begins **Monday, April 4** and ends **Friday, December 9.** Yard waste must be in composting bags or loose in barrels clearly marked yard waste.
No plastic bags allowed. Composting bags may be purchased at retail locations.

RECYCLING/CURBSIDE RUBBISH COLLECTION
Only city issued carts for recycling and trash will be collected curbside. Loose garbage in the carts will not be collected. All residential solid waste & recycling carts or textile recycling bags shall be placed at the curb, in front of said residence, not before 4:00 p.m., the day before collection. All carts shall be removed from the curb no longer than eight hours after collection. No carts shall be placed in or on the street.

All trash bags should be placed in barrels. The State has implemented a mixed-recycling program.

RESIDENTIAL RUBBISH DROP-OFF
City residents can use the City Transfer Station
240 Grotto Avenue • 569-3977
Mon. - Fri. 6:30 am - 3:30 pm
Sat. 7:00 am - 11:30 am
You must show proof of residency at the Transfer Station to receive the City discounted rate. If using a commercial vehicle, you will be charged the commercial rates at the Transfer Station.

SANITATION BULKY WASTE
Appointments are required for special pick ups. There is a fee for: box springs, mattresses, refrigerators and freezers. Appointments are needed (at no charge) for large items such as T.V.'s, appliances, and metal. **Furniture items need to be scheduled for curbside collection. Residents can schedule up to 3 pieces for each collection date.**
Please email **dpw@pawtucketri.com** or call 728-0500 ext. 233 for appointment.
Public Works Office Hours
Monday - Friday, 8:30 am - 4:30 pm

LEAF BAGS
Leaf bags may be purchased at retail locations. Leaf bags will not be sold by the City of Pawtucket.

NO BIN - NO BARREL PROGRAM
The No Bin - No Barrel Program started on September 13, 2010. For information on the program, please visit **www.pawtucketri.com** or call the Public Works Office at 728-0500, ext. 233.

CHRISTMAS TREE RECYCLING RULES
Trees will be collected on your trash day throughout the month of January. Trees are to be bare, no lights, no tinsel, and not placed in a plastic bag. Trees not meeting these requirements will not be picked-up.

WHAT YOU NEED TO KNOW THIS WINTER SEASON

If there is a parking ban, information will be available on the City's website, social media pages, and through local news outlets.

Visit: **www.pawtucketri.com**
Alternative Parking Lots Map: **http://www.pawtucketri.com/public-works-department/snow-parking-ban-information**

PLEASE KEEP YOUR SIDEWALK CLEAR OF SNOW & ICE AFTER A SNOW EVENT
Remember to clear a path for pedestrians (at least 3 feet wide) so they don't have to walk in the street.

CodeRED Emergency Notification System

The CodeRED system allows the City to quickly notify and update our residents, through media of their choosing, for emergency situations such as extreme weather and parking ban notification. To register for CodeRED or to manage your account, log onto the City's website at **www.pawtucketri.com** or the Police Department's website at **www.pawtucketpolice.com** and follow the link to the "CodeRED Community Notifi-cation Enrollment" page. Those without Internet access may call the Police Department at (401) 727-9100 ext. 716; the Fire Department at (401) 725-1422 ext. 413 or the City at (401) 728-0500 ext. 281, Monday through Friday, 8:30 am to 4:00 pm

Report Issues Online

If you would like to report any problems for potholes, snow, sewer, sanitation or traffic lights, residents can log on to **www.pawtucketri.com** and click on "Fix-It Central" located in the toolbar on the left hand side of the page. From there, residents are able to fill out an online report of the issue requiring attention and that report will be handled by the appropriate city department.
