City of Pawtucket 2021 Calendar

"Hiding in Plain Sight"

A Message to the Residents and Taxpayers of the City of Pawtucket

Dear Friends and Neighbors,

Thank you, thank you, thank you for all of your patience and support as the community pulls together through these unprecedented times. Pawtucket is strong and proud because of each of you.

As we begin the new year, my family and I would like to wish you a healthy and prosperous 2021. After a 2020 that no one could anticipate, we look forward to beginning a new year and are excited about Pawtucket's future.

This past year brought about a lot of uncertainty because of the Coronavirus pandemic, but also once again showed the strength and determination of you, our residents. Our community partners stepped up and we were able to provide the residents with the necessary services during the pandemic through the BEAT COVID-19 initiative and hotline. We are thankful for the compassion that people and businesses have shown one another in a very difficult time and are grateful for such strong community contribution.

Our City continues to, and will always, welcome new and returning residents to our diverse community. With the incoming Commuter Rail Station and many new residential and retail projects ongoing, we always strive to continue moving Pawtucket forward. New projects like the $44 million Dexter Street Commons on 71 Dexter Street are a testament of the boundless possibilities for developers interested in Pawtucket.

New and exciting things are coming to Pawtucket in 2021, including the continuation of Tidewater Landing. The City was excited to announce the largest economic investment project in Pawtucket's history! Tidewater Landing is a $300 million economic development project proposed by Fortuitous Partners. This project will transform Pawtucket's riverfront with hundreds of thousands of square feet of new development, including a new professional soccer team that will compete in the USL Championship League. Thanks to the leadership of the City Council, the Pawtucket Redevelopment Agency, Fortuitous, CommerceRI, and so many others, we continue taking great strides toward the fruition of this game changing project.

Our goal is to provide superior quality of life for our residents. The City continues to invest in our quality of life. Amid ongoing national issues, the City announced the creation of the Mayor's Community Board in order to encourage a more cohesive environment for all citizens and visitors to the City of Pawtucket by promoting the values of diversity and inclusivity. We have also doubled down on zoning services to address neighborhood issues by reestablishing the Neighborhood Task Force Program.

This past year, our students have overcome some amazing obstacles. They learned to adapt and adjust to online classes being taught at home. Our resilient students have always deserved the very best. Building on the fully renovated Nathanael Greene and Potter Burns Elementary Schools and work done on all of our buildings, we continue to work on the complete rebuild of Henry Winters Elementary.

With all of the ongoing projects, the City remains committed to continuing the implementation of fiscally responsible best practices that have allowed us to invest in our quality of life, infrastructure and education. My administration, the City Council, and the School Committee will continue to prioritize fiscal responsibility and focus on our taxpayers' ability to pay, as we did when we passed a no-tax-increase budget despite the ongoing uncertainty around the pandemic.

In conclusion, I wish to thank our generous calendar sponsors who, once again, allow us to present you with the 2021 City of Pawtucket Calendar. This calendar provides a wealth of information on scheduled events, how to contact your elected officials, the many services available to you and much, much more.

The City looks forward to continuing the Mayor's Community meetings throughout each district as we have done every year once we are able to do so safely. I hope to see you there when the dates are set!

I wish you and your family all the best and a happy, healthy and prosperous 2021.

Sincerely,

Donald R. Grebien
Mayor

HELP US KEEP THE CITY CLEAN AND GREEN

Did you know? That loads of recycling that are highly contaminated with trash - things like food waste, yard waste, construction debris, textiles, and bulk waste - can be rejected from the recycling facility? It costs the City $250 plus UP TO $80/ton to dispose of highly contaminated loads. Please do your part by sticking to these rules of thumb for what to recycle in your blue cart.

RULES OF THUMB FOR YOUR RECYCLING CART:

PLASTICS

RULE: Recycle plastic **CONTAINERS**, up to 2 gallons in size ONLY. Disregard numbers and triangle.

EXCEPTIONS? No Styrofoam cups/containers, plastic bags, "empty" automotive fluid bottles, "compostable" cups, black planters and plug trays, acrylic or Plexiglass cases.

PREP: Empty and rinse. Don't crush flat. No straws. Gently replace caps and lids first and then recycle. Take plastic shopping bags back to any large grocery, pharmacy or big-box store for recycling.

GLASS

RULE: Recycle glass **jars** and **bottles ONLY**.

EXCEPTIONS? No "Pyrex" containers.

PREP: Empty and rinse. Remove metal lids/caps first and recycle both separately.

METALS

RULE: Recycle metal **cans/foil** and **lids/caps** from **glass jars** + **bottles ONLY**.

EXCEPTIONS? No yogurt lids or foil-like candy/chip wrappers.

PREP: Empty and rinse. No product, air or noise should come from aerosol cans when the nozzle is pressed down. Don't crush cans flat. Do bunch up foil first.

PAPER/CARDBOARD

RULE: Recycle paper/cardboard that is **free of food and grease, isn't treated to be waterproof** (e.g. fridge or freezer boxes, paper coffee cups) + **isn't for sanitary use** (e.g. napkins, paper towels) ONLY.

EXCEPTIONS? Please **DO** recycle waterproof **cartons** (e.g. milk, juice, soup, broth).

PREP: It's OK to leave tape/labels/staples on. Replace plastic caps back on cartons' plastic spouts first, then recycle.

ELECTRONICS

RULE: Anything that plugs into your wall should **not** be placed in your recycle cart. When in doubt, call your DPW at 401-728-0500, ext. 233. **No exceptions to this rule.**
To find more items you can drop off for recycling at RI Resource Recovery, visit www.rirrc.org/sva For an A-Z list of materials and proper recycling/disposal instructions, visit http://atoz.rirrc.org

TEXTILE RECYCLING

Beginning November 16, 2020, the city will be starting a textile recycling program. Residents will now be able to dispose of their old clothing, belts, purses, and shoes thru this program. Residents can either pick up a yellow textile recycling bag from City Hall or Public Works or for the first time you can use a trash bag labeled textile recycling. The company will be checking the recycling routes and if they pick up a bag, they will leave you a new bag so you can continue the program.

MATTRESS & E-WASTE COLLECTION (for City residents only)

All collections will be at the parking lot on Roosevelt Avenue across from City Hall on the first Saturday of the month (unless noted otherwise due to another event or weather). Please refer to **www.pawtucketri.com/public-works-department** for dates and times.

YARD WASTE PROGRAM

For twigs, leaves and grass clippings, the program begins **Monday, April 5** and ends **Friday, December 10**. Yard waste must be in composting bags or loose in barrels clearly marked yard waste. **No plastic bags allowed**. Composting bags may be purchased at retail locations.

RECYCLING/CURBSIDE RUBBISH COLLECTION

Only city issued carts for recycling and trash will be collected curbside. Loose garbage in the carts will not be collected. All residential solid waste & recycling carts or textile recycling bags shall be placed at the curb, in front of said residence, not before 4:00 p.m., the day before collection. All carts shall be removed from the curb no longer than eight hours after collection. No carts shall be placed in or on the street.

All trash bags should be placed in barrels. The State has implemented a mixed-recycling program.

RESIDENTIAL RUBBISH DROP-OFF

City residents can use the City Transfer Station
240 Grotto Avenue • 569-3977
Mon. - Fri. 6:30 am - 3:30 pm
Sat. 7:00 am - 11:30 am
You must show proof of residency at the Transfer Station to receive the City discounted rate. If using a commercial vehicle, you will be charged the commercial rates at the Transfer Station..

SANITATION BULKY WASTE

Appointments are required for special pick ups. There is a fee for: box springs, mattresses, refrigerators and freezers. Appointments are needed (at no charge) for large items such as t.v.'s, appliances, and metal. **Furniture item need to be scheduled for curbside collection. Residents can schedule up to 3 pieces for each collection date.**

Please call 728-0500 ext. 233 for appointment.
Public Works Office Hours
Monday - Friday, 8:30 am - 4:30 pm

LEAF BAGS

Leaf bags may be purchased at retail locations. Leaf bags will not be sold by the City of Pawtucket.

NO BIN - NO BARREL PROGRAM

The No Bin - No Barrel Program started on September 13, 2010. For information on the program, please visit **www.pawtucketri.com** or call the Public Works Office at 728-0500, ext. 233.

CHRISTMAS TREE RECYCLING RULES

Trees will be collected on your trash day throughout the month of January. Trees are to be bare, no lights, no tinsel, and not placed in a plastic bag. Trees not meeting these requirements, will not be picked-up.

WHAT YOU NEED TO KNOW THIS WINTER SEASON

if there is a parking ban, information will be available on the City's website, social media pages and through local news outlets.

Visit: **www.pawtucketri.com**
Alternative Parking Lots Map: **http://www.pawtucketri.com/public-works-department/snow-parking-ban-information**

PLEASE KEEP YOUR SIDEWALK CLEAR OF SNOW & ICE AFTER A SNOW EVENT Remember to clear a path for pedestrians (at least 3 feet wide) so they don't have to walk in the street. (City of Pawtucket Ordinance 351-20)

Winter Wonderland is a Christmas celebration running in Slater Park during the first two weekends in December. The grounds will be decorated for the season, featuring over 400 decorated Christmas trees, a miniature village, a giant talking snowman, carousel rides, train rides, horse drawn hay rides, visits and photos with Santa and Mrs. Claus, free entertainment, face painting, letters to Santa and children's craft activities.

Admission is free. Families are encouraged to come out and enjoy choral groups, dance studio performers and puppet shows.

- **The carousel will be open for 50 cents per ride.**
- **Train & hay rides available for purchase.**
- **Santa will be at the Boathouse for visits and photos for purchase.**
- **A heated tent offering food items for sale.**

The event starts **Saturday, December 4 at 4:00 pm** with the Mayor's Tree Lighting and Santa arriving on a fire truck. For further information or to purchase a tree, call 726-3185
