ON-LINE REGISTERING AT YOUR CONVENIENCE!

You now have the opportunity to register and pay online at your convenience. As part of the process, each individual will need to create an account, if you already have not done so. Feel free to contact the Recreation Office if you are not sure if an account has been created. This account, once established, will make all of your future Parks & Recreation transactions (program registration or facility rentals) more expedient. **Transactions may also be conducted at the Slater Park Office, M-F - 8:30 AM – 4:30 PM**

- To get started online, please visit the City of Pawtucket website – Parks & Recreation “Departments tab” and click the box stating **“Click Here for On-line Registrations”**
- Click **“Create New Account”** and complete the items **or Log in** if an account has already been created
**** INDIVIDUALS WITH CHILDREN:** include each child under **“Add Household Members”** option. *This is the green box located on the left hand side of the page*
- You can now log in and click the **Programs** tab (this option outlines description and cost of the programs available to you)
- From this point, register for the programs you choose and pay with a credit card when completed

Please contact the Recreation Office at 728-0500 ext. 251 if you have any questions or require any assistance in establishing an account. We look forward to serving you this year.

COVID 19 GUIDELINES – SUBJECT TO CHANGE AS CONDITIONS IMPROVE

The Slater Park Tennis Camp will follow the RIDOH standards.

Daily screenings will be conducted on staff and campers using the COVID-19 Screening Tool <https://www.cdc.gov/coronavirus/2019-ncov/symptoms-testing/symptoms.html> along with an infrared no-touch thermometer.

Parents should review the screening tool in advance to prevent bringing a child to camp if any family member is experiencing COVID-19 symptoms. Guardians are asked to arrive 15 minutes prior to class start. These are noted in the online class descriptions as it relates to each class. All parties must be masked throughout the morning check-in process.

The individual (staff or camper) must have a parent or guardian present during the check-in screening and may not leave until the screening is complete. This policy is in place should the individual test positive and needs to be excused from the camp program. Therefore, if a staff member or camper is 16 years of age or older and has transportation on site, they do not require a parent and/or guardian on site to be present for the screening.

The child can't attend camp on that day if symptoms are apparent from the CDC Screening Checklist and/or a temperature over 100.4 degrees F.

Hand sanitizer, face covering and water bottle with camper's name (clearly marked) must be brought to camp daily or the child can't attend camp. Face coverings do not need to be used during play but should be in place when gathering groups, as well as entering and leaving the facility.

If the camper, parent or other family member has been in close contact with someone who tested positive for COVID-19 or you've recently arrived in Rhode Island from outside the 50 states or the District of Columbia (DC) or from a hot spot within the 50 states or DC, you do not need to quarantine if:

- a final dose of a COVID-19 vaccine, that is either FDA approved or received an Emergency Use Authorization (EUA), at least 14 days before your last exposure or out-of-state travel. Proof must be presented to the camp representative.
- a negative result of a COVID-19 test between 5 and 10 days after their last exposure. Proof must be presented to the camp representative

If any family member is under quarantine, the camper may not attend camp until the quarantine is complete and a negative COVID test result has been presented.

If the child is not attending camp for any reason, it is important that parents contact the Recreation Office and speak to a representative immediately at 728-0500 ext 251. Please do not leave a message.
