Narrative Summary of 2017-18 Substantial Funding Amendment  
to the City of Pawtucket Consolidated Plan

Each year the City of Pawtucket, RI prepares and publishes (for public review and comment) a plan on how it will spend the federal community development (CDBG), housing (HOME) and homeless assistance (ESG) grants given to the City each year. The plan, known as the “Consolidated Plan,” states the community’s priorities for improving the living conditions and economic opportunity for Pawtucket residents, especially residents with low to moderate household incomes. The “Consolidated Plan” also contains the specific funding amounts for various projects and programs under each of the grant programs. For example, the 2017-18 Consolidated Plan (for the year July 1, 2017 – June 30, 2018) identified how the City planned to spend funds from the Community Development Block Grant, the HOME Housing Investment Partnership and Emergency Solutions Grant. The 2017-18 “Consolidated Plan” was approved by the U.S. Department of Housing and Urban Development and went into effect on July 1, 2017. It is available for public review both by contacting the Pawtucket Department of Planning and Redevelopment at the contact information shown on the cover sheet or by accessing the City of Pawtucket’s web page at [www.pawtucketri.com/departments/planning/](http://www.pawtucketri.com/departments/planning/)

This Substantial Funding Amendment concerns the planned use of additional funding resources that the City has identified from both the Community Development Block Grant, HOME Housing Investment and Emergency Solutions Grant (ESG) programs. The additional funds consist of previous years’ projects that have been cancelled, are continuing, or have been completed and have balances as of June 30, 2017.

A summary of the proposed use of these additional resources is contained on the attached pages.

Citizen comment on the entire proposed Substantial Amendment is welcome by contacting the Pawtucket Department of Planning and Redevelopment at the contact information on the front page of this amendment summary. All comments on the amendment are due by April 16, 2018. Comments can be emailed to Edward Soares, CD Program Manager, at [esoares@pawtucketri.com](mailto:esoares@pawtucketri.com).
