

PAWTUCKET'S BUSINESS DEVELOPMENT CORPORATION COVID-19 EMERGENCY LOAN PROGRAM

BACKGROUND: The City of Pawtucket offers businesses located within the City low- interest financing through Pawtucket's Business Development Corporation (PBDC). **This unique financing tool offers loans to small businesses operating in the City of Pawtucket that have been negatively affected by the outbreak of the COVID-19 virus.** Retail, commercial, and entertainment businesses that rely on customers making purchases at their establishments are especially affected; this program is designed to provide relief to those types of businesses. Businesses must demonstrate hardship caused by the COVID-19 virus outbreak.

HOW IT WORKS: Under this program, the PBDC will provide emergency micro-loans to businesses negatively affected by the COVID-19 outbreak. Businesses with **twenty-five (25)** or fewer employees are eligible to apply for funds, which will be used to pay for normal businesses expenses that have been made more difficult due to declining revenues caused by the COVID-19 outbreak. Businesses may apply for up to **\$10,000** in funds under this loan program. Businesses must have a physical location in the City of Pawtucket and have experienced a loss of income due to COVID-19. Funding is limited and applications will be accepted on a rolling basis.

INTEREST RATE: The PBDC will be offering COVID-19 Emergency Three-Year Term Loans at a 2% interest rate. Due to the ongoing effects of the outbreak, loan repayment will be deferred for the first twelve (12) month period after the loan is administered. After the 12-month period is over, businesses will begin monthly loan repayments on month 13. After repayment begins, businesses shall have two (2) years (Twenty-four (24) months) to complete full repayment of the loan.

ELIGIBLE BUSINESS:

- Retail
- Wholesale
- Service
- Entertainment
- Restaurant/Bar

ELIGIBILITY:

Small businesses, meeting the criteria stated above, that have experienced 30% or more loss in revenue due to the COVID-19 outbreak are eligible to apply for this emergency loan. Funds may be used for operating expenses for running day to day business operations including but not limited to covering payroll and rent. **Businesses that are chains or franchises are not eligible to apply to this program. Loan funds are for commercial purposes only. Funds cannot be used for equipment purchases, construction or expansion related costs.**

JOB REQUIREMENTS:

To meet the threshold for this loan there must be sufficient documentation that the jobs would have been lost without the loan assistance and that one or both of the following applies to a least 51 percent of the jobs:

The PBDC requires either that (i) a business owner submitting the application for the loan must be a **low/moderate income individual (see attached income guidelines); or (ii)** the business must provide evidence that at least one (1) low/moderate income employee is being retained or hired with the loan funds.

GEOGRAPHIC COVERAGE:

This program only provides assistance to small businesses located in the City of Pawtucket, Rhode Island.

The PBDC has a Loan Review process that is carried out through the staff of the City's Department of Planning and Redevelopment. Normally it takes approximately thirty (30) days to review applications, however considering the seriousness of the situation and projected need, the loan review process shall take no more than one (1) week after all required submittal materials have been received. After review, and if approval is granted, checks will be mailed to businesses which may take up to two (2) additional weeks.

Obtaining a DUNS Number

A Guide for Federal Grant and Cooperative Agreement Applicants

The Federal government requires that all applicants for Federal grants and cooperative agreements with the exception of individuals other than sole proprietors, have a DUNS number. (See policy at: http://www.omb.gov/grants/grants_docs). The Federal government will use the DUNS number to better identify related organizations that are receiving funding under grants and cooperative agreements, and to provide consistent name and address data for electronic grant application systems.

Data Universal Number System (DUNS) Number

- The Data Universal Numbering System (DUNS) number is a unique nine-digit identification number provided by Dun & Bradstreet (D&B).
- The DUNS Number is site-specific. Therefore, each distinct physical location of an entity (such as branches, divisions, and headquarters) may be assigned a DUNS number. Organizations should try and keep DUNS numbers to a minimum. In many instances, a central DUNS number with a DUNS number for each major division/department/agency that applies for a grant may be sufficient.
- In order to provide on-the-spot DUNS number assignment, the requestor should do this by telephone. (See telephone number below.)

Obtaining a DUNS Number

- You should verify that you have a DUNS number or take the steps needed to obtain one as soon as possible, if there is a possibility you will be applying for future Federal grants or cooperative agreements. There is no need to wait until you are submitting a particular application.
- *If you already have a DUNS number.* If you, as the entity applying for a Federal grant or cooperative agreement, previously obtained a DUNS number in connection with the Federal acquisition process or requested or had one assigned to you for another purpose, you should use that number on all of your applications. It is not necessary to request another DUNS number from D&B. You may request D&B to supply a family-tree report of the DUNS numbers associated with your organization. Organizations should work with D&B to ensure the right information is on the report. Organizations should not establish new numbers, but use existing numbers and update/validate the information associated with the number.
- *If you are not sure if you have a DUNS number.* Call D&B using the toll-free number, **1-866-705-5711** and indicate that you are a Federal grant applicant/prospective applicant. D&B will tell you if you already have a number. If you do not have a DUNS number, D&B will ask you to provide the information listed below and will immediately assign you a number, free of charge.
- *If you know you do not have a DUNS number.* Call D&B using the toll-free number, **1-866-705-5711** and indicate that you are a Federal grant applicant/prospective applicant. D&B will ask you to provide the information listed below and will immediately assign you a number, free of charge.

Managing Your DUNS Number

- D&B periodically contacts organizations with DUNS numbers to verify that their information is current. Organizations with multiple DUNS numbers may request a free family tree listing from D&B to help determine what branches/divisions have numbers and whether the information is current. Please call the dedicated toll-free DUNS Number request line at **1-866-705-5711** to request your family tree.
- D&B recommends that organizations with multiple DUNS numbers have a single point of contact for controlling DUNS number requests to ensure that the appropriate branches/divisions have DUNS numbers for Federal purposes.
- As a result of obtaining a DUNS number you have the option to be included on D&B's marketing list that is sold to other companies. If you do not want your name/organization included on this marketing list, request to be de-listed from D&B's marketing file when you are speaking with a D&B representative during your DUNS number telephone application.

Obtaining a DUNS number is absolutely **Free** for all entities doing business with the Federal government. This includes grant and cooperative agreement applicants/prospective applicants and Federal contractors. Be certain that you identify yourself as a Federal grant applicant/prospective applicant.
