Address  
City, ST ZIP Code

# Pawtucket Prevention Coalition

Creating a community atmosphere that promotes healthy choices

## What we do

The Coalition is a group of voluntary members representing both public and private sectors of our community. It is concerned with the creation/implementation of and advocacy for effective community programs to produce positive social outcomes.

Over 80% of young people ages 10-18 say their parents are the leading influence on their decision whether to drink.

[www.underageddrinking.samhsa.gov](http://www.underageddrinking.samhsa.gov)

## Yearly Events:

- World No Tobacco Day Poetry Slam
- Youth Enrichment Programs at Pawtucket Housing Authority
- Red Ribbon Week Rally
- St Patrick's Day Float
- Pawtucket Teen Hall of Fame

## RECOGNIZING GOOD WORK

The Teen Hall of Fame is an annual event the Coalition sponsors to recognize the charitable and volunteer efforts of our community's teens. We believe focusing on the good in the community encourages others to strive for better.
